Raiders Rip Statesmen 34-6

The Appomattox Raiders scored in every quarter last Friday night and beat the Randolph-Henry Statesmen 34-6 in a non-district football game played at Appomattox. The Raiders are now 2-1 overall and Randolph-Henry fell to 0-3.

Appomattox got on the scoreboard with :58 seconds left in the first quarter when quarterback Bobby Layne passed 14 yards to Wayne Simpson for the score. Jimmy Chandler kicked the extra point for a 7-0 lead. The drive took nine plays and had started on the Raiders own 49 yard line.

In the second quarter, Randolph-Henry intercepted a Raider pass but the Appomattox defense tighten up and stopped the drive on the 16 of Appomattox with 3:51 left in the first half. Bobby Layne then went back to pass eight plays later and couldn't find a receiver open, so he scampered into the end zone from 22 yards out and a TD and Chandler again hit the extra point for a 14-0 lead with only :40 left in the half. The big run in that 84 yard drive was a 32 yard run by Mike McCormick.

Randolph-Henry came out hot in the third quarter as they started on their own 31 yard line. Five plays later with 9:22 left in the quarter R-H quarterback Trey McKenzie found Kenny Colley on the receiving end of a 49 yard pass play to make it 14-6 as the run for the extra point failed. Appomattox then took the kickoff had it returned back to the 41 where they started. It took the Raiders 11 plays to cover the 59 yards and then Wayne Simpson passed 18 yards to Mike McCormick for the touchdown and it was 20-6 as the extra point failed. In that drive McCormick had a 12 yard run and caught a 13 yard pass to keep the drive going.

In the fourth quarter Appomattox drove to the 12 but the R-H defense stiffened and held. They could not move either and had to punt, Robert Thornton then crashed in to block the Randolph-Henry punt and the Raiders ended up with the ball on the Statesmen 28 yard line, Mike McCormick then went in from six yards out six plays later with 3:03 left in the game and Chandler booted the extra point for a 27-6 lead. A little over a minute later the Raiders held on a fourth down and Randy Foster went in from 12 yards out and the final TD with 1:13 still left to play. Chandler then hit his fourth extra point for the 34-6 win.

Mike McCormick was the Raiders leading rusher and also high for the game with 120 yards on the ground. He also caught several key passes. Jimmy Chandler, besides kicking extra points, picked up 65 yards rushing to give McCormick added power in the running area. Bobby Layne and Wayne Simpson shared the quarterback duties and combined to hit on seven of 13 passes and two touchdowns. There was one interception.

The defense was led by Billy Guthrie, Lee Conner, Glenn Doss and Steve Almond. Almond had several key tackles as he caught the man for big losses several times. Nathan Snell, a defensive back, knocked down several passes and was in a same key tackles also.

Ricky Zeigler led the Randolph-Henry offense with 41 yards rushing on nine carries. He also caught a couple of passes.

The Statesmen defense was led by Kenny Colley, Robbie Johnson and Jay Reamer. Stanley Agee had the pass interception and was also in on a number of tackles.

The Raiders take on Gretna Friday night here at Appomattox in a very important game.

T-Rebs Topple Comets 12-6

by 'Rabbit' Cawthorne

T-Rebs made it a three-way HURRAH! Saturday night by toppling Brookville Comets 12-6 under the coaching of Bob Sears, Henry "Dee" Doss, Jack Layne, Fred Weakley and Bobby Chenault. The T-Rebs are undefeated so far, and Saturday's game was a good one.

In the 2nd quarter Gordon Ford intercepted a pass and went 75 yards for the TD . . . one of the fanciest jobs of running anybody could want! He really looked good – and any Saturday television football fan will bear that out and take second notice!

The try for the extra point was no good, but that didn't stop the sturdy T-Rebs. Appomattox came back in the 4th quarter with Louis Mayberry tearing on down the field with a 23 yard run for the TD. Run for the extra point was no good, but the Rebs kept on with their spirited defense. Late in the 4th quarter Brookville fought back with a one-yard run by Mike Novac to make the tally 12-6.

Appo defense was led by Tony Bryant, Kenneth Carter, R.B. Carter, Danny Scruggs, Richard Blazer and Gordon Ford.

Stand-outs for Brookville defense were Steve Engledove and Tommy Bryant.

The extra point was no good.

In the fourth quarter Appomattox got two more first downs when Layne went up the middle and when he made an on-target pass to Dennis Wilkerson. Mike McCormick ran in for two more touchdowns, and Chandler made both kicks good. To make the final score, 34-6.

On defense, all the Raiders did a terrific job as they held the Statesmen to 135 total offensive yards while they picked up 328 yards. Philip Goode, Steve Almond, Billy Guthrie and Lee Conner led the Raiders defense.

Mystery Raiders Stomp R-Henry

by Joe Vaughan

Appomattox overpowered Randolph-Henry 34-6 in a non-conference game Friday night. Mike McCormick made three touchdowns, while Wayne Simpson and Bobby Layne each had one apiece, and Jimmy Chandler raked up the extra points.

In the first quarter the Raiders were starting good when Layne passed to Chandler for great yardage, but it was called back because of a penalty. Appomattox was then forced to punt, but Steve Almond came back when he made a great tackle forcing Randolph-Henry to lose yardage. They then had to punt and the Raiders began to roll. Mike McCormick, breaking tackles, got two first downs and Layne got another one, bringing the ball closer to the goal. Then Layne passed 14 yards to Wayne Simpson for a touchdown and Chandler kicked the extra point.

In the second quarter Appomattox had 3 more first downs when McCormick made a great run, and Layne passing to Chandler twice. This brought on the second Raider touchdown when Bobby Layne ran 22 yards. Chandler topped it off with the R. B. Mystery Photo Is Identified

Mr. Leslie A. Coleman, Rt. 3, Appomattox, was one of the first readers to identify correctly the "Mystery Picture" in last week's TIMES-VIRGINIAN.

Mr. Coleman says that he knew Major Joel W. Flood and Mrs. Flood (the couple pictured in the mystery photo) back when Coleman was "a little barefooted kid". In those days Major Flood was Sunday School superintendent at New Hope Baptist Church, Vera., and Mr. Coleman remembers him well.

Major Flood commanded Co. H – "the Appomattox Rangers" and the Roll of Company H was printed in a TIMES-VIRGINIAN issue of the early 1900's; later, incorporated into Vara Smith Coleman's "History of Appomattox County" which was printed by the TIMES-VIRGINIAN April 1965 as a commemorative history of the county and a part of 100th observance of the end of the War Between the States, marked that same day with ceremonies at Appomattox Court House National Park.

For those interested in the names of men who served with Major Flood, the Roll Call of Co. H and a wealth of interesting information about Appomattox County is available in the Stanley history, copies of which may be obtained at Traveler's Rest, Appomattox Drug Co. or directly from the author, Mrs. L. L. Stanley, Appomattox.

PCAs Unveil New Educational Film On Using Credit Wisely

Farm Credit Manager, J. F. Glenn, with other managers of Production Credit and Federal Land Bank Associations recently viewed the premier showing of the new educational film on how farmers can use credit profitably.

The film, sponsored by the nation's Production Credit Associations, is titled "Credit, A Capital Idea." One of the few fully-animated films in agriculture, its running time is 13 1/2 minutes and it is in full color.

In the film, a modern farmer is transformed into a big game hunter who goes on safari through the jungle of finance in search of the elusive quarry of profits. Sprinkled with light humor, the film establishes the path the farmer-hunter must follow to "bag" profits from his farming operation.

The film is designed to give farmers – particularly young farmers – tips on how to use credit wisely and profitably. It is available free to schools, farm organizations, rotary clubs and other interested parties through any of the nation's 440 Production Credit Associations or their 1,000 branch offices.

PCAs are the short and intermediate term lending units of the Farm Credit System. Other units of the farmer-owned System are Federal Land Bank and Associatins and Banks for Cooperatives.
